Objection 1:

Please correct the amended Actuarial Memorandum as it does not reflect the agreement to limit Premium Stabilization to three years: "*Note: Subsequent term caps apply through the 6th renewal term, with the remainder of the ultimate rate adjustments applying at the 7th renewal term.

Response:

Please note that Private Passenger vehicles have 6-month policy terms. Premium Stabilization will apply for a total of three years, up to the 6th renewal term following the renewal effective date. After three years, beginning with the 7th renewal term, Premium Stabilization will no longer apply.
